DWIH Innovate – Module: Scholarships

Key Facts

PROGRAMME LOGISTICS	**Internship Duration:** 2 – 6 months **Programme Period:** Annual intake, next application deadline 28.2.2027 and earliest internship start approx. June 2027 (selection until April) **Work Arrangement:** On-site only **Compensation:** Funded by the scholarship, or via a combination of both scholarship allowance and additional host company/institution renumeration • **Scholarship Support:** o Monthly allowance: 2000 EUR o Roundtrip Travel allowance: 1188 EUR o Coverage of necessary insurance - Health insurance - Accident insurance - Personal liability insurance
Intern Profile	**Junior to advanced professionals:** Students to early-career researchers (Master students, graduates, doctorates, PhD graduates, postdoctoral researchers) with a strong interest in deep-tech related innovations, start-ups and science-driven technology transfer
Your Role as Programme Host	**Before the internship starts:** Design a tailor-made internship position that fits your organisation's needs. Furthermore, you will be actively involved in the selection process. Based on all applications received for your position, you will prepare a shortlist of candidates for DAAD's final selection process. **Throughout the internship:** • Provide practical experience in international innovation organisations for future careers in research and innovation • Expose the intern to technology transfer, innovation management and practical transfer competence • Share international professional networks • Give new international perspectives on research and innovation
